KEENE, N. H.
1936

STATE OF NEW HAMPSHIRE

Cheshire, ss.

To the inhabitants of the Town of Walpole qualified to vote in town affairs:

You are hereby notified to meet at the Town House in said town on Tuesday, the tenth day of March next, 1936, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose a Town Clerk, one Selectman for three years, Auditors, Town Treasurer, Road Agent, Collectors of Taxes, Trustees of Public Funds, Surveyors of Wood and Lumber, Fence Viewers, and all other necessary officers.

Art. 2 To raise money for the support of the town poor, for town library, for cemeteries, to build and repair highways and bridges, and such other current expenses as may accrue.

Art. 3. To see if the town will vote to authorize its selectmen to raise money on notes of the town for current expenses, in anticipation of taxes.

Art. 4. To see if the town will vote to allow a discount on taxes.

Art. 5. To see if the town will vote to raise and appropriate \$6,000 to oil the streets of Walpole Village and North Walpole, and town roads.

Art. 6. To see if the town will vote to appropriate \$30 for Memorial Day.

Art. 7. To see if the town will vote to raise and appropriate \$1,500 to improve and gravel the Valley road, so called, beginning at the end of last year's work and continuing toward Keene.

Art. 8. To see if the town will vote to raise and appropriate \$500 to improve and gravel the road beginning at the corner near Steve Rober's and going toward Charles Whitney's, on the Drewsville road.

Art. 9. To see if the town will vote to raise and appropriate \$1,500 to grade and rebuild North Main street in Walpole village.

Art. 10. To see if the town will vote to raise and appropriate \$1,000 to improve the road beginning at the foot of March Hill, extending easterly.

Art. 11. To see if the town will vote to raise and appropriate \$1,000 for reconstruction and drainage of Vine street, North Walpole.

Art. 12. To see if the town will vote to raise and appropriate \$1,800 to construct road on Birch and Brooks streets, North Walpole.

Art. 13. To see if the town will vote to raise and appropriate \$500 to improve and gravel Maple Grove road.

Art. 14. To see if the town will vote to raise and appropriate \$500 to apply on the Tony Wolfel road, provided the WPA furnish the labor.

Art. 15. To see if the town will vote to raise and appropriate \$2,000 to improve and gravel on the hill road, beginning where the black road now ends near the farm of Mrs. Florence Knight, going east toward Keene.

Art. 16. To see if the town will vote to raise and appropriate \$3,000 for state aid on the County road.

Art. 17. To see if the town will vote to raise and appropriate \$763.70, or such other sum as the state may require, for Class V roads.

Art. 18. To see if the town will vote to raise and appropriate \$1,000 to build a water cistern on the Common in Drewsville, and make a landing at the river for the fire truck, in case of fire in the village of Drewsville.

Art. 19. To see if the town will vote to build a garage on the town lot to house the town machinery, and raise and appropriate money therefor.

Art. 20. To see if the town will vote to raise and appropriate \$500 for materials and supervision for grading on playground project at North Walpole, provided the labor be furnished by WPA.

Art. 21. To see if the town will vote to protect the shade trees of the town, and raise money therefor.

Art. 22. To see if the town will authorize the selectmen to administer and dispose of any real estate acquired by the town through tax collectors' deeds.

Art. 23. To see if the town will vote to accept such funds as have been left it during the past year.

Art. 24. To transact any other business that may legally come before said meeting.

Given under our hands this 20th day of February, 1936.

JOHN W. PRENTISS,
HARRY J. STOWELL,
JAMES T. RELIHAN,
Selectmen of Walpole.

A true copy. Attest:

JOHN W. PRENTISS,
HARRY J. STOWELL,
JAMES T. RELIHAN,
Selectmen of Walpole.

STATE OF NEW HAMPSHIRE
(SCHOOL WARRANT)

Cheshire, ss.

To the inhabitants of the school district in the town of Walpole qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall, in said district on the 14th day of March, 1936, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for three years.
4. To choose a Treasurer for the ensuing year.
5. To choose two auditors for the ensuing year.
6. To hear the reports of the School Board and Treasurer and take any action thereon deemed necessary.
7. To see if the district will vote to make any alterations in the amount of money to be assessed to meet the 1936-1937 budget as printed and raise money for the same.
8. To see if the district will authorize its School Board to enter into a contract with the School District of Rockingham for high school tuition.
9. To see what sum of money the district will vote to raise and appropriate for repairs and new equipment.

10. To see if the district will vote to purchase the Nimms field so called, at North Walpole for extension of playground at John Kilburn school and raise and appropriate the sum of \$350.00 for this purpose.

11. To see what action, if any, the district will take in regard to disposing of the Christian Hollow school house.

12. To transact any other business which may legally come before said meeting.

Given under our hands this 17th day of February, 1936.

ARTHUR M. DAVIS,
 GEORGE M. ROLAND,
 ROBERT M. L. HOLT,
 JAMES L. BAKER,
 THOMAS J. BRICKLEY,
 AUSTIN I. HUBBARD,
 School Board.

A true copy of warrant—Attest:

ARTHUR M. DAVIS,
 GEORGE M. ROLAND,
 ROBERT M. L. HOLT,
 JAMES L. BAKER,
 THOMAS J. BRICKLEY,
 AUSTIN I. HUBBARD,
 School Board.

Walpole, N. H., Feb. 8th, 1936.

REPORT OF COMMITTEE ON TOWN LIBRARY

Book distribution for the past year has been better than the average, especially in the juvenile class.

Adult fiction, 6,178. Juvenile fiction, 3,125. Adult non-fiction, 736. Juvenile non-fiction, 264, making a total of 10,303 volumes.

There have been 804 magazines distributed.

We have purchased 215 new books with 103 for North Walpole and have had 25 books given us.

There have been some alterations made this past season. The old delivery window has been removed, the partition opened up and a new counter built in. Three groups of new shelves for books and bound magazines have been built in the stack room. A furnace pipe and register has been relocated and the library floors cleaned and refinished.

The librarian will be pleased to receive titles of desirable new books, and gifts of books and magazines are most acceptable.

The library committee for the past season has been: Miss Ola A. Hubbard, librarian, Mrs. F. E. Gilbert, Mrs. Clifford E. Bellows, Miss Mary G. Bates, Miss Margaret Porter, Mrs. C. E. Sparhawk, Mrs. Harley Rogers, Charles Dalzell, Austin I. Hubbard, Louis R. Lincoln, and for North Walpole Miss Katherine F. Keefe and Miss Anna Hartnett. Mrs. Hudson E. Bridge has been made an honorary life member of the committee.

CARLTON E. SPARHAWK,

Treasurer.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Walpole:

I herewith submit my third report as Superintendent of Schools.

ORGANIZATION AND ENROLLMENT

Only two changes were made in the teaching positions:

Miss Helen Upton was elected to fill the vacancy in the Home Economics Department caused by the resignation of Miss Constance Tobey. Miss Upton is a graduate of Keene Normal School in the class of 1935.

Miss Evelyn Brinton, Keene Normal School, 1935, has replaced Miss Alice Currier who resigned her position as special teacher of music.

Seven pupils were transferred to the Number 14 school to relieve the overcrowded condition in grades five and six at the village. Since the enrollment at Number 14 was otherwise small, the transfer of pupils has proved beneficial to both schools.

Standard achievement tests in all the fundamental subjects were given to the pupils in grades five to eight inclusive. Standard graduation tests were administered to the eighth grade pupils previous to graduation. The results of the tests were tabulated for purposes of comparison and indicated that the pupils generally were doing satisfactory work for their grades.

The testing program this year is principally diagnostic in nature. The purpose is to diagnose difficulties and weaknesses which may occur in the fundamentals. The results are to be used as a guide to instruction and as a basis for remedial work. In each school a program for remedial work will be developed in accordance with the needs of the pupils as indicated by the results of the tests. Attention will be given to individual as well as to group needs.

Hot lunches are being prepared and served by the girls of the home economics department.

SUMMARY OF ENROLLMENT

January 15, 1936

Walpole High School,	76
North Walpole High School,	24
Walpole Junior High,	50
Walpole Elementary grades (1-6),	127
North Walpole Elementary grades,	162
North Walpole Sub-Primary,	24
Number 14 school,	20
Drewsville,	18
<hr/>	
Total,	501

The enrollment of forty-one pupils in grades 5-6 at the village presents a difficult problem. The very substantial increase in the sub-primary at North Walpole is significant. The value of maintaining this group is clearly manifested in the work of the primary grades.

BUILDINGS AND EQUIPMENT

An extensive program of necessary repairs and improvements was conducted this year. As a matter of record the improvements at the various schools are listed in tabulated form:

Walpole village school:

1. Painting:

Two coats of paint on the exterior of all three buildings and flag pole.

2. Construction:

Wooden piazza on front of high school building replaced by a concrete foundation with cement steps approaching the main entrance.

Large pillars supported on brick foundation. ft. new concrete walk directly approaching front of building.

Concrete platform at side entrance.

ft. new line fence.

Chimney on manual training and north chimney on primary building rebuilt from roof.

3. Corrections:

Laboratory floor raised about $4\frac{1}{2}$ inches. A supporting post was placed in the class room directly below.

Cement foundation at basement windows corrected. New eaves troughs on both sides of building.

Double door on manual training building sealed and clap-boarded.

Trap door and ladder to attic of manual training building.

4. Repairs:

Repairs to stairs to girls' basement.

Repairs to window screens and curtains.

New treads to replace worn treads on stairways—all buildings.

New slate shingles on manual training building.

Repairs to shingles—all buildings,

Repairs to brickwork in chimneys—all buildings.

Repair to brick foundation—Primary building.

Tin roof on deck of belfry—high school building.

New section in furnace—manual training building.

5. New equipment:

New screens and screen doors.

Two new swings for swing supports on playground.

New blackboard—high school laboratory.

New storm windows on high school—north side.

North Walpole:

Exterior:

Tile drainage in school yard.

New pole for giant stride on playground.

Cement steps approaching primary building.

Interior:

Elisha Keep building:

Halls and stairways painted.

New curtains for windows in all rooms.

John Kilburn building:

New stripping and hooks for outside coats, etc.

Hallways varnished.

Number 14 school:

Exterior of building was painted.

Class room walls painted and ceiling whitened.

Repairs in hallway.

New coal stove.

Coal bin constructed and shed door repaired.

Drewsville:

Exterior of building and flagpole painted.

Ceiling whitened.

Coal bin constructed and repairs to shed door.

New supports for swings and teeter board.

Playground slide repaired.

Chimney rebuilt and enlarged from ceiling.

Second hand piano in excellent condition procured for schoolroom.

New platform constructed to boys' toilet.

STATISTICAL REPORT FOR 1934-1935

Total registration,	517
Average membership,	479.93
Percentage of attendance,	94.27.
Cases of tardiness,	444
Number of pupils not absent or tardy,	28

The total registration was about twenty-six less than that of the previous year. A decrease of 271 in the number of cases

of tardiness is commendable. The number of pupils with a perfect record of attendance is thirty-six less.

I wish to direct your attention to the following supplementary reports:

1. Report of headmaster Walpole High school.
2. Report of headmaster North Walpole High school.
3. Report of school nurse.
4. Report of special music teacher.

I wish to express appreciation of the generous cooperation which I have received from members of the School Board, headmasters, teachers, parents, and pupils.

Respectfully submitted,
 CHARLES D. DALZELL,
 Superintendent of Schools.

REPORT OF HEADMASTER WALPOLE HIGH SCHOOL

Mr. Charles D. Dalzell, Superintendent of Schools.

Dear Sir:

I herewith submit my report as Headmaster of the Walpole High School.

REGISTRATION

Compiled from a summary of the registers for the first twenty weeks of the school year, 1935-36.

	Senior High	Junior High
Number of pupils enrolled,	81	50
Boys,	39	26
Girls,	42	24
Number transferred or withdrawn,	5	0
Present enrollment,	76	50
Number of instances of tardiness,	91	34

Number of pupils not tardy or absent,	10	11
Percent of attendance,	97.28	96.43
Number of visits by citizens and others,	20	5
Non-resident enrollment,	16	0

Our withdrawals have been small this year. One withdrew because of illness, two because of change in family conditions and two because they were not interested in the subjects offered. Our percent of attendance is better, reaching honor roll status. Our number of instances of tardiness is large due to icy travelling and deep snow and the consequent late arrival of the busses. Because of these tardinesses our perfect attendance roll has considerably decreased.

SCHOLARSHIP

We are trying to maintain such a scholarship standard that we can have our pupils accepted at colleges by our certificate. At the same time we are trying to hold in school those who have no intention of attending college. To this latter group we recommend the General course, Home Economics or Agricultural course. We attempt to vary our assignments in these courses so that all levels of ability may make the best of their opportunity and maintain scholarship and interest. We have succeeded somewhat, in that our percent of failures is lower than the average for the state and our pupils have been accepted for college on our certificate.

ORGANIZATION

The Thespians had charge of a very worthwhile three act drama this year. The result showed study and practice. Much benefit is derived from this type of extra-curricula activity.

The Walpole Warbler contained an innovation this year in its three color Christmas issue. It was a very creditable production.

Our school socials have been very well attended. These have been sponsored by the various classes and have been free

to the pupils. There has been a small charge for the Junior High parties as there are no funds available for this activity. The Blue and White Club have been prominent in these affairs by having charge of the Fall Picnic and the Christmas party.

Bank day is held every Thursday and thus encouragement is given to continue the thrift habit started in the lower grades.

Our singing, under Miss Brinton, has taken on an added interest as is evidenced by the willing cooperation of the pupils in attempting to stage another operetta this year.

Our orchestra needs recruits very much and Miss Brinton is trying to interest pupils in the lower grades to take up the study of some instrument. I hope the pupils will receive much encouragement from their parents to participate in this way.

ATHLETICS

We feel that athletics has a proper place in the school and that here in Walpole it is not over-emphasized. We would like to have everyone participate to some extent. We have about twenty-eight girls in our Monday and Thursday basketball groups under the direction of Miss Helen Perkins. Their play is strictly intramural. Play day is planned with Alstead in which the girls meet and enjoy competition but the teams are mixed so that there are some Alstead and some Walpole girls on each team. In this way we hope to foster friendly spirit between the schools. The Junior High girls are under the direction of Miss Edith Swett and have one period a week in the Town Hall devoted to games.

The Junior High boys are under the direction of Mr. Gordon Ayer and practice twice a week. They play games with Alstead, Kurn Hattin, Charlestown and Bellows Falls.

The Senior High boys are under the direction of Mr. John K. Whittemore and play a regular interscholastic schedule. The second team has a schedule also. We can readily see the re-

sults of the practices in the efficiency of their play and their attitudes.

Our varsity baseball team was under the direction of Mr. Gordon Ayer and had a very fine season.

We need many new books and replacements in our school library. In the past we have received books from citizens interested in the school library and it is hoped that this idea of giving to the school might spread to others.

HOME ECONOMICS

The courses offered this year are: The Home, Its Care and Management, for juniors and seniors, and Clothing and Textiles, for freshmen and sophomores.

The Home, Its Care and Management offers an opportunity for the girls to learn something of the history of architecture and the development of the different types of the houses up to the present time. Through a study of types of furniture in Europe and America, they have been able to select furniture suitable to each type of home. The girls have selected, planned, and furnished homes of their own, estimating the costs of the materials and the furnishings as they are studied. Following this, the proper care and cleaning of the home, and the care of home grounds were studied, including the scheduling of the work and the actual processes involved.

During the study of the development of houses, the class visited some of the homes here in Walpole to observe the type of home, the kind and arrangement of furniture. Fenton and Hennessey's in Bellows Falls was also visited by the class for the purpose of getting estimated costs of equipment for the different rooms.

In the Clothing and Textiles course, the girls have studied the kinds of textiles, their properties and uses. The relation of clothing to health, to economy, and to social needs has taught them to use care and thought in the selection of their clothes. In the study of clothing, they have learned something of its expense, and have worked out a budget which has taught them

to spend their money more wisely. The construction of clothing has taught them to use a commercial pattern correctly, to alter the pattern when necessary, and to draft their own patterns. Machine work, use of attachments and other aids to efficiency have been used in accomplishing this work. In a unit on mending and remodelling, the girls have learned the proper care of clothing and the renovating of garments.

The seventh and eighth grades have learned the methods of canning fruits and vegetables and making jellies. This work was exhibited at the annual school fair. Through actual practice and experience, the girls have learned to prepare and serve well balanced and attractive meals, including breakfasts, luncheons, and dinners. In relation to this work attention has been given to table etiquette, table setting, costs of meals served, and the relation of cleanliness and food to health.

The work in sewing has recently started. The girls will be taught the simple construction processes for making undergarments, cotton dresses, or blouses. Knitting is taught to those desiring to knit scarfs or pocketbooks.

The girls in grades five and six receive elementary training in cooking and sewing. This teaches them the importance of good health rules, the cooking of simple dishes, the fundamentals of good manners, and how they can be of help at home. In sewing they are taught the hand sewing which includes simple mending. The use of the sewing machine is started in this grade.

AGRICULTURE

The total enrollment in this department numbered twenty-three, four in the junior-senior and nineteen in the freshmen-sophomore group.

Approximately one-third of the class time is spent in shop work. Considerable time was spent by the junior-senior group in the repair of farm machinery and the building of a new body for the spray truck. Freshmen shop work is devoted entirely to woodworking while the sophomores have forge work and advanced woodworking.

An additional five thousand white pine transplants, furnished by the State Forestry Department, were set out on the Hooper estate. A total of forty thousand pines have now been set out. The work this year was done by the freshmen-sophomore group.

With the aid of the school power sprayer, disease and insect damage has been controlled successfully in the Hooper orchard. Approximately one thousand fruit and shade trees have been sprayed in the community.

Planting and care of early plants was successfully carried on by the work in greenhouse management. All plants not used for project work were sold locally.

The four boys having the highest rating in poultry projects were again presented two hundred day old chicks by the Hubbard Farms. We sincerely appreciate this interest in our work.

Henry Thompson, representing the Hooper Chapter of Future Farmers of America, won third prize in the state prize speaking contest.

Through the interest and generosity of the Walpole Grange, two boys enjoyed a ten day vacation at the State Future Farmer Camp held in Groton, N. H.

A very instructive trip to the Eastern States Exposition was enjoyed by the combined classes. One day was spent in class work viewing the agricultural exhibits.

The Eleventh Annual School Fair was held on October fourth in the Town Hall. Exhibits of project and school work were displayed. This was wholly a school function planned and managed by the superintendents of the various departments. We are very appreciative of the interest and cooperation of Mr. Bus of Alstead, Mr. McKenven and other citizens of Walpole.

For the third consecutive year Walpole High won second place in state competition at the Interscholastic Judging Contest held at the University of New Hampshire. Individual high teams were wood chopping and dairy cattle.

Class work, for the most part, has been based on the type of farming conducted in Walpole and vicinity. A suitable project has been carried on by each boy in the department along some practical phase of agriculture.

We are greatly indebted to the farmers who have cooperated with us in our judging work.

As in life, so in school, cooperation is needed and we gratefully acknowledge the help received from the Superintendent and citizens in carrying on our work.

Respectfully submitted,

JOHN M. COTTON,

Headmaster.

REPORT OF HEADMASTER NORTH WALPOLE HIGH SCHOOL

Mr. Charles D. Dalzell, Superintendent of Schools.

Dear Sir:

I enclose herewith my annual report on the work and condition of the North Walpole schools.

REGISTRATION AND ATTENDANCE

The enrollment by grades is as follows: Grade 10, Boys 5, Girls 6, total 11; Grade 9, Boys 5, Girls 8, 13; Grade 8, Boys 11, Girls 8, 19; Grade 7 Boys 13, Girls 11, 24; Grade 6, Boys 16, Girls 7, 23; Grade 5, Boys 8, Girls 13, 21; Grade 4, Boys 13, Girls 6, 19; Grade 3, Boys 15, Girls 5, 20; Grade 2, Boys 8, Girls 12, 20; Grade 1, Boys 9, Girls 7, 16; Sub-Primary, Boys 12, Girls 12, 24; total boys 115, total girls 95; grand total 210.

The daily attendance figures keep at the usual high mark. The monthly percentage averages are: Grade 10, 99; Grade 9, 97.85; Grade 8, 95.65; Grade 7, 98; Grade 6, 96.36; Grade 5, 97; Grade 4, 98; Grade 3, 97.84; Grade 2, 96.75; Grade 1, 95.42; Sub-Primary, 98.26.

Constant vigilance is required to keep our tardy marks at a low level. Daily supervision of the timely arrival of our pupils is imperative. This insures the teaching of the valuable lesson of punctuality and maintains a proper working system. Tardy pupils frequently report that home conditions and duties cause their late arrival at school. The blame cannot, in those cases, be laid upon the pupil. The parent must cooperate to improve that condition.

DISCIPLINE AND SCHOLARSHIP

The conduct of the pupils in and about the school is satisfactory. Classroom work is conducted under quiet, orderly conditions.

The course of studies has remained the same as in the past few years. Our aim is to train our pupils in the knowledge of the essential subjects.

A series of tests, intelligence and achievement, have been given in most of the grades during the past few months. The results give us a good idea of the ability of our pupils in their various subjects when working under test conditions. Also, they show the teachers what weak spots should be reviewed and stressed.

Otis Intelligence tests were given in Grades 9 and 10. Gregory diagnostic tests were given in Grades 7, 8 and 10. The subject matter of these was Language. Comprehension tests to gauge the ability of pupils to read and report on the ideas contained in numerous paragraphs were given in Grades 3 and 5. Arithmetic tests also have been given in Grades 5, 6, 7 and 8.

A group of our pupils from various grades sang carols at the last Bellows Falls Outdoor Christmas concert. Second prize was the award for their good work.

The health examinations were conducted, as usual, in December and January by Miss Edgett, school nurse.

In November, Mr. Russell Leavitt, agent of the State Board of Education, visited the High school grades on his annual tour of inspection.

A very creditable report was received from him.

GRADUATION

For the past four years we have been conducting the closing exercises of the High school department in June in Russell hall. The attendance at these afternoon programs has not been large. In fact, a count of the adults present has revealed a surprisingly small number. This condition, in addition to the growing custom of the members of the graduating class to make the event an expensive affair from the standpoint of clothes has raised the question of the advisability of continuing to hold these exercises in Russell hall or returning to the former custom of a simple program conducted in the classroom.

At any event, the occasion, if continued as at present, should attract a larger number of adults.

ATHLETICS

During the winter the boys from Grades 7 to 10 have played basketball in Russell hall under the direction of Mr. Dube. An interclass league series furnished some healthy sport.

Respectfully submitted,
JAMES A. RUSSELL.

REPORT OF SPECIAL TEACHER OF MUSIC

Mr. Charles D. Dalzell, Superintendent of Schools.

Dear Sir:

There has been no change in the music schedule followed in Walpole, North Walpole, Drewsville, and No. 14, this year.

The chief aim in teaching music in the public schools is to teach artistic singing with beautiful tone quality. In working towards this goal, we try to do three things. First, develop the desire to sing, second, to teach the child how to sing, and third but not least, to teach the child how to express his feelings through music.

This matter of expression is of the greatest importance, and as one writer has so nobly put it, "The heights of music are reached only in the expression of feeling, its supreme significance is spiritual and its most glorious medium is the human voice."

We hope through this plan of study to arouse in the children a desire to hear good music, the ability to appreciate good music, acquiring an increasing skill as a singer, and learning the use of singing as a means of self expression.

The Junior High and High School chorus groups have been given training in voice production, enunciation, expression and interpretation.

The orchestra in Walpole has a membership of ten. This year our string group is rather small. We are looking for an increase in this group in the future. We are hoping to begin a violin class very soon. This group will be under the supervision of a capable leader.

Music that is both enjoyable and of high standard has been selected for the various groups, thus we hope to arouse the feeling and appreciation for better music.

Chorus groups and leads will soon begin rehearsals for "The Saucy Hollandaise," an operetta to be presented in April.

I wish to express my sincere appreciation to Superintendent Dalzell, Mr. Cotton, Mr. Russell, and the teachers for the cooperation that has been accorded this department.

Respectfully submitted,
EVELYN L. BRINTON.

REPORT OF SCHOOL NURSE

Mr. Charles D. Dalzell, Superintendent of Schools.

Dear Sir:

I hereby submit my annual report as school nurse.

Inspection in Walpole showed the following defects:

288 pupils were inspected.

2 pupils showed defective hearing.

15 pupils showed defective vision—uncorrected.

12 pupils showed poor posture.

46 pupils were underweight.

97 pupils were in need of dental care.

37 pupils were unvaccinated, without proper excuse.

3 pupils were vaccinated unsuccessfully.

19 pupils were recommended to have nose and throat examination by a physician.

Inspection in North Walpole showed the following defects:

210 pupils were inspected.

2 pupils showed defective hearing.

9 pupils showed defective vision—uncorrected.

8 pupils showed poor posture.

36 pupils were underweight.

88 pupils were in need of dental care.

27 pupils were unvaccinated without proper excuse.

11 pupils were vaccinated once unsuccessfully.

5 pupils were vaccinated twice unsuccessfully.

38 pupils were recommended to have a nose and throat examination by a physician.

Tonsil clinics were held at the Mousley hospital June 12th, 1935 and June 18th, 1935. Dr. Georges Prevost of Keene, N. H., was in charge of the clinic. 11 tonsil cases were treated.

3 tonsil cases were treated privately.

71 pupils have had their teeth cared for by the dentist.

10 pupils had special eye examination and defects corrected.

12 pupils were vaccinated during year.

Two underweight clinics were held March 15th, 1935, 9.30 a. m., at Walpole and 1.30 p. m., at North Walpole.

108 pupils were given a chest examination by Dr. R. B. Kerr of the New Hampshire Tuberculosis Association.

Much time is spent in home calls, business calls, providing

clothing for needy pupils, transportation of pupils to dentists, oculists and physicians.

I wish to express the appreciation of the district to the local Red Cross Chapter, Mrs. Carroll Moore, Mrs. B. D. Mousley, Mrs. H. R. Tucker, Mrs. Ira Hubbard, Mr. Walter Shackley, Miss Lamb, for assistance given in carrying on the work in the past year.

I also wish to express my appreciation to superintendent, principals, teachers, parents and pupils for their help and co-operation.

Respectfully submitted,

FRANCES F. EDGETT, R. N.,

School Nurse.

Miss Elizabeth Carriel, Staff Nurse of the State Board of Health, has made the following report of diphtheria immunization clinic conducted in conjunction with the school health program:

Children receiving treatment:

	Walpole	North Walpole
Six months to one year,	6	0
One year to six years,	28	28
School children,	3	27
	—	—
Total,	37	55

VITAL STATISTICS

To the Selectmen:

In compliance with an act of the legislature, passed June session, 1887, amended by the legislature of 1889, requiring of births, marriages and deaths to the municipal officers for publication in the Annual Report," I hereby submit the following:
